

Chicago in the World—The World in Chicago will give you the opportunity to...

The Chicago Global Donors Network
3rd Annual Conference
on International Giving

- ★ Discuss global giving with other donors as well as international leaders who have committed their resources to the most challenging global issues of our day.
- ★ Learn about effective philanthropic strategies for addressing global issues.
- ★ Meet others who are engaged in giving abroad.

Keynote Speakers

Manuel Arango, leading Mexican businessman and philanthropist, and founder of the Mexican Center for Philanthropy.

Mark Hanis, student activist, philanthropist and founder of the Genocide Intervention Network.
